ABOUT

Mia Koutsoumidis is a 22-year-old performer based in Melbourne, Australia. She has a central focus on Classical singing, working in the realm of opera throughout her tertiary studies. She also has eleven years of Musical Theatre training and actively works in this field, continuing to pursue her passion that ignited her career. Mia is also an up-and-coming voice actor, working on multiple international projects, voicing characters for television series', short films and video games.
